

This Notice is to inform you that we will be inspecting the patio/balcony decks in your community beginning on or around December 6 - December 17, 2021

- Our working hours are 8am – 5pm Monday - Friday
- Inspections will be made to the exterior side of buildings.
- You do not need to be home or allow anyone in your home.
- Ladders will be used to access your deck.
- Please close all window coverings or doors for your privacy.
- We will be doing a visual inspection of all decks (front, rear, side if applicable), if your deck is covered, please remove personal belongings. We want to be able to see the entire deck surface so carports, coverings and stored items need to be cleared.
- You will receive an inspection completed notice, when you receive this notice, you may move items back on your deck. *Please note, not all personal belongings need to be moved but we do need to be able to do a visual inspection so a large portion of the deck will need to clear.
- ***At this time, we will only be inspecting decks. Everyone will receive notice before any work begins in the community.***
- Please know that we are following CDC guidelines for COVID19: Social Distancing from fellow team members as well as residents. If you need to move through an area where we are inspecting, we will make sure there is at least 6 feet of space. If you have additional questions regarding our COVID 19 Preparedness Plan.
